

Brethren, Ladies and Friends of the 33rd Masonic District,

As many of you are aware, at Grand Lodge Judy DeStefano and a group of ladies came up with the idea of creating a cookbook composed of recipes from the brethren, ladies and friends of the District 33 for the purpose of raising funds. Judy really liked the idea and volunteered to help put it together. As most of you know we lost Judy not long after Grand Lodge.

Inspired by Judy's enthusiasm, Eileen McDonald, Karen Dixon and Phyllis Fine felt it would be a fitting tribute to Judy to go ahead with the creation of a cookbook.

They are now accepting recipes from the *ladies, brethren and friends* of the 33rd Masonic District. The cookbook will be priced at \$15 and all proceeds over and above the cost of creating it will be donated to the Masonic Home in St. Petersburg in memory of Judy.
